Fao. Mr. Nigel Fishlock

Dear Sirs

Re: Your former employee - Nigel Shackleton

We have recently been instructed by Mr. Shackleton in respect of various telephone calls that you have made personally to his home address.

We understand that you have been harassing our client and putting pressure on him to sign a document.

We must advise you that our client is currently of ill health and does not require any form of harassment from you which is likely to make his condition even worse. We trust that you will take heed of this warning and make no further attempt to contact our client, failing which, we will be forced to take further action.

Yours faithfully

HARDING EVANS
